

4Ws The Resurrection | 1 Corinthians 15

WORSHIP

Consider reading **Psalm 134** together, taking turns reading a verse a time, or reading responsively with the leader reading a verse and the group responding with the next verse

Consider singing some of the songs on the sheets that were included in your packet if you have someone in the group that plays the guitar or can lead music and/or play the guitar.

WELCOME

Questions.

You may ask each one to share on how they usually celebrate the Resurrection Sunday before they came to know Jesus. And what was their view of the “Holy Week”.

WORD

Discussion Questions.

1. What questions or challenges have your friends or family asked you regarding the deity of Christ, His death or resurrection? How did you respond to them, and what effect did these challenges have on your faith or beliefs?
2. We shared in the message some strong evidences of the resurrection of Jesus. Why do you think the skeptics and/or atheists want to disprove the resurrection of Jesus? Then, discuss the points of evidence and the critical factor each one plays.
3. There are several reasons why the resurrection of Jesus is so important for us believers. Which one speaks to you the most? Why?
4. Knowing that the resurrection of Jesus is a historical fact, what does this mean to you personally? How does this truth affect you, and what change in mindset or life choices is God asking you to make as a result?
