

# 4Ws Down But Not Out | Acts 14:21-28

## WORSHIP

Consider reading **Psalm 118** together, taking turns reading a verse a time, or reading responsively with the leader reading a verse and the group responding with the next verse.

Consider singing some of the songs on the sheets that were included in your packet if you have someone in the group that plays the guitar or can lead music and/or play the guitar.
