

# 4Ws How Do You Get Saved? | Acts 15:1-35

## WORSHIP

Consider reading **Psalm 117** together, taking turns reading a verse a time, or reading responsively with the leader reading a verse and the group responding with the next verse.

Consider singing some of the songs on the sheets that were included in your packet if you have someone in the group that plays the guitar or can lead music and/or play the guitar.

## WELCOME

### Questions.

You may sing a worship song together.

## WORD

### Discussion Questions.

1. In Acts 15: 1-35, the Jerusalem Council addressed the issue of adding circumcision + the law of Moses to the salvation by grace through faith in Jesus Christ, what are the things that people add nowadays to this salvation that we have?
2. How can we remind and encourage one another, including ourselves, that the Gospel of our Lord Jesus Christ is by grace through faith alone? What practical ways we can do so that it becomes very clear in the way we approach our sharing of the Gospel and ministry?
3. Write your one sentence long interpretation of the Gospel. Try to discuss how you can effectively share this to any type of person, whether they are familiar with Jesus or not.
4. The application points include contending for the gospel, living by the gospel and preaching the gospel. Which of these application points do you think you need to improve on? Discuss among your members how you can help each one out.
5. Write down 2-3 persons you want to share the gospel to and get the whole group to pray about those persons. Then commit to share the gospel to them in the next few days or weeks. Pray-Care-Share approach.
